

Mirrored Foundation Card with Navy and Confetti Ink

EEN PROJECT UIT ONZE LIVESHOW - CREATE AND CRAFT TV - 19 MEI 2023

OVER DIT PROJECT

Create a beautiful card featuring textured foundation paper that creates a mirrored effect, layered with navy patterned paper and adorned with delicately embossed floral elements. The design is enhanced with pink and purple confetti ink accents on the roses and leaves, creating a soft, romantic finish. This project demonstrates how to combine eco-friendly textured papers with stamping and embossing techniques for an elegant, dimensional card.
