

Watercolour Paper Background Card with Maple Leaf Halo Stencil

EEN PROJECT UIT ONZE LIVESHOW - MONDAY PODCAST - 8 MEI 2023

OVER DIT PROJECT

Create a stunning card featuring a beautiful watercolour floral background with a dramatic black silhouette maple leaf halo overlay. This elegant design combines pre-printed creative watercolour papers in soft pinks, purples and teals with bold black stencilled leaves, finished with a 'made with Style' sentiment. The layered effect looks intricate and time-consuming, but the gorgeous papers and simple stencilling technique make it surprisingly quick to achieve.

TIPS UIT DE SHOW

- The creative watercolour papers are uncoated, so they take heat embossing, water, and colour beautifully.
- The papers are 200 GSM, making them perfect for card tops and layering.
- You can scratch back the uncoated paper with scissors if you want to add texture or detail.
