

Inked Embossing Folder with Watercolour Wash...

6 APRIL 2026

Create an artistic card by inking both sides of an embossing folder with pink ink, spraying with water, and pressing white card stock into it. The result is an abstract, watercolour-like effect with dimensional texture.

TIPS FROM THE SHOW

- Ink both sides of the embossing folder to avoid mistakes and ensure you get the desired effect.
- Make three versions in different colours rather than just one, allowing them to dry before deciding which to use.
- If the result is not perfect, remember you have a bin—it is just paper.
