

Tiger Lily Embossing Folder Watercolour Card

21 NOVEMBER 2025

Create a stunning dimensional card featuring elegant tiger lilies using a high-definition 3D embossing folder. This project combines embossing techniques with delicate watercolour effects, using ink and water spray to add soft shading that enhances the raised floral details. The result is a beautiful card with sophisticated depth and gentle colour gradients in pink and burgundy tones.

- The detail in the Tiger Lily embossing folder is exceptional and shows beautifully even with the watercolour technique.
