A PROJECT FROM OUR LIVE SHOW - CREATE AND CRAFT LIVE - 9 APRIL 2022

ABOUT THIS PROJECT

A striking card combining a swiped ink background in pink and coral tones with a cityscape silhouette stamp, finished with twine, a fussy-cut blossom element, and sparkle accents. The design evokes travel and adventure with an elegant, feminine aesthetic.

TIPS FROM THE SHOW

- Swiping ink pads at different angles creates a more interesting, random texture than a straight line.
- You can mask off areas with tape if you prefer a more precise, straight-edged background.
- Fussy-cutting pre-coloured elements saves time and ensures consistent colour application.
