

New Horizons Fishing Boat Lamination Card

17 OCTOBER 2025

Create a beautifully painted-looking card using the two-part New Horizons lamination stamp set featuring a fishing boat and water. The technique makes it appear as though you've hand-painted the design, giving a realistic and artistic finish. From our live show **ONE DAY SPECIAL - Join Toni for her brand new launch - Broadcast 17th October 2025** (17 October 2025) - watch it from 41:15.

TIPS FROM THE SHOW

- Lamination stamps aren't perfect, and that's what makes them successful—the imperfection gives it a realistic, hand-painted look.
- You can stamp only half of the design on the page to create the effect of the boat coming into view.
- If you lose detail slightly when spraying with water, you can bring it back with a little gel pen.
