ABOUT THIS PROJECT

Create a charming card featuring the Spring Boots die with selective ink application and watercolour accents. The technique uses a mop-up method to add colour to specific areas of the boots, creating dimension and a hand-painted appearance.

TIPS FROM THE SHOW

- Don't be afraid of white space on your design—it creates light and shade and gives an artistic finish.
- You can create different boot styles by varying your ink colours—try black for Doc Martens or walking boots, or bright colours for wellington boots.
