

Gnome Character Card with Striped Paper...

10 OCTOBER 2025

Design a festive card featuring a coloured gnome character set against a creative striped background made from layered paper strips. The combination of pattern papers and glitter cardstock creates visual interest and dimension. From our live show **ONE DAY SPECIAL - Join Toni and Simon for the brand new launch - Broadcast 10th October 2025** (10 October 2025) - watch it from 1:00:00.

TIPS FROM THE SHOW

- Use off-cuts from your paper stash to create the striped background effect.
- Layering paper strips over glitter cardstock adds texture and visual interest without needing additional embellishments.
- Foam tape lifts the character away from the background to create a 3D effect.
