

Rose Watch Watercolour Card with Stamped Focal Point

A PROJECT FROM OUR LIVE SHOW - BRAND SHOWCASE IN THE HTC� STUDIOS - 25 FEBRUARY 2022

ABOUT THIS PROJECT

A mixed-media card combining watercolour washes with stamped rose and watch imagery, layered with coloured wood pieces and mounted on black card for contrast. The design builds dimension through loose painting, fussy-cut stamps, and coordinating MDF embellishments.

TIPS FROM THE SHOW

- You do not need to use waterproof ink if you allow the stamped images to dry long enough before applying watercolour.
- Do not worry about perfection—allow colours to blend naturally and embrace the mixed-media aesthetic.
- Adding a black card backing behind your topper frames the design and brings colours to the foreground.
