

Gnome Topper Card with Interactive 3D Elements

10 OCTOBER 2025

Create an interactive gnome topper card by stamping and colouring a large gnome character, die cutting it with interactive elements like moveable pigtails, then mounting it on a patterned background. The card features dimensional 3D elements that can be lifted and moved.

From our live show **More Inspiration - Using - Gnome for the Holidays** (10 October 2025) - watch it from 36:30.
