# Teal and Gold Embossed Lantern Shaker Card

A PROJECT FROM OUR LIVE SHOW - CATCH UP ON THE FRIDAY FRENZY - 15 OCTOBER 2021

## ABOUT THIS PROJECT

Create a stunning shaker card featuring a blurred watercolour-effect background with a lantern stamp, finished with heat-embossed gold detailing and a window aperture filled with sequins. The layered inking technique creates a soft, artistic backdrop that contrasts beautifully with the crisp embossed focal point.

**From the show:** CATCH UP on the FRIDAY FRENZY
**Shown:** 15 October 2021
**The project starts:** 23:00 into the show
**In this guide:** 16 steps

# STEP BY STEP

1

STEP 1 OF 16

Start with a square piece of craft-coloured cardstock and place a lantern stamp in the centre, holding it in place with a magnet.

WATCH THIS STEP - 23:00

2

STEP 2 OF 16

Apply dye-based ink (blue) directly onto the cardstock around the stamp, then spray the card with water to create a blurred effect.

WATCH THIS STEP - 24:15

3

STEP 3 OF 16

Stamp the lantern into the wet ink and water, pressing down firmly, then lift the stamp away to reveal the soft, blurred impression.

WATCH THIS STEP - 24:45

4

STEP 4 OF 16

Mop up excess water with a paper towel to remove dampness, then apply oxide ink (green) to the stamp and spray the stamp itself with water this time.

WATCH THIS STEP - 25:30

5

STEP 5 OF 16

Stamp the lantern again onto the card to add another layer of colour and texture, creating depth in the background.

WATCH THIS STEP - 26:15

6

STEP 6 OF 16

Once the card is dry, use an anti-static bag and apply sticky embossing ink over the lantern stamp impression.

WATCH THIS STEP - 26:45

**7**

STEP 7 OF 16

Stamp the lantern twice more using the sticky ink pad to ensure all intricate details are covered with embossing ink.

WATCH THIS STEP - 31:15

**8**

STEP 8 OF 16

Dust the embossing ink generously with Midas Touch embossing powder (gold), ensuring complete coverage of the stamped design.

WATCH THIS STEP - 31:45

**9**

STEP 9 OF 16

Heat set the embossing powder with a heat gun until the powder melts and becomes shiny and raised.

WATCH THIS STEP - 32:45

**10**

STEP 10 OF 16

Cut out the centre circle of the lantern design carefully using scissors, following the line of the design to create an aperture window.

WATCH THIS STEP - 35:15

**11**

STEP 11 OF 16

Adhere a piece of acetate to the back of the card using foam pads around the window edge, ensuring no gaps so pieces don't fall through.

WATCH THIS STEP - 37:00

**12**

STEP 12 OF 16

Stamp a sentiment from the same stamp set onto black cardstock and heat emboss it with Mermaid Tails embossing powder (teal).

WATCH THIS STEP - 38:30

**13**

STEP 13 OF 16

Glue the embossed sentiment piece to the back of the acetate window so it shows through the aperture.

WATCH THIS STEP - 39:45

**14**

STEP 14 OF 16

Add foam pads around the entire back of the window frame to create a shaker pocket.

WATCH THIS STEP - 42:45

**15**

STEP 15 OF 16

Pour teal and silver sequins into the shaker pocket, spreading them evenly to avoid lumps in the middle of the card.

WATCH THIS STEP - 45:00

**16**

STEP 16 OF 16

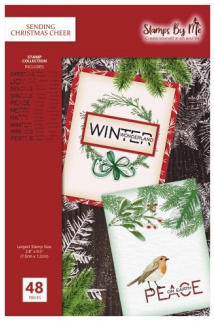

Adhere the shaker card to a card blank base, then add clear iridescent sparkles around the edge using glitter glue for extra embellishment.

WATCH THIS STEP - 46:45

### TIPS FROM THE SHOW

- Stamp twice with embossing ink to ensure all intricate details are covered before heat setting.
- Double-pad the foam pads if you want to add more sequins and create extra depth in your shaker card.
- Tap the card gently to help sequins settle and move around so the sentiment remains visible through the window.
