

Halloween Party Fairy Scene Card

29 AUGUST 2025

Create a charming Halloween card featuring a fairy character set against a spiderweb background with layered kraft and black paper elements. The design incorporates vintage-style Halloween imagery including a 'Beware' sign, pumpkin embellishments, and decorative stickers in classic orange and black colours. This project uses simple layering techniques and dimensional elements to create a festive, party-themed greeting card.

TIPS FROM THE SHOW

- You can knock out a ton of cards from this kit due to the variety of elements included.
- The paper elements work beautifully when layered onto card stock for added stability.

Position and glue down the 'Happy Halloween' sentiment sticker in the centre of the black panel.

Ensure all elements including the spider web corners, 'BEWARE' tag, and decorative pieces are securely adhered to complete your Halloween card.
