

Layered Vintage Paper Panel Card

14 APRIL 2025

Create a beautiful coordinated card using three complementary vintage papers in stripe, block and floral patterns. The papers share a consistent colour palette, allowing you to layer them together for a cohesive, professional look. From our live show **MIGHTY MONDAY - Join Toni for her detailed papercrafting sessions - Broadcast 14th April 2025** (14 April 2025) - watch it from 16:30.

Cut panels from each paper at 1.5 inches wide using a guillotine or craft knife.

Watch this step: 18:30 into the show

Arrange the three cut panels on a card blank, layering them to create visual interest.

Watch this step: 19:00 into the show

Secure each panel to the card base using double-sided tape or adhesive.

Watch this step: 21:30 into the show

Create a second card background by staggering thicker strips of the coordinating papers vertically.

Watch this step: 23:00 into the show

Tear one of the paper strips to add texture and dimension to the card design.

TIPS FROM THE SHOW

- The colour pattern works through all three papers, so you can confidently mix stripe, plain and floral knowing they will coordinate beautifully.
- Don't worry if you go outside the lines when layering; the outline die will hide any imperfections.
- Use off-cuts from your panels to create additional design elements and minimise waste.
