

Layered Peony and Carnation Dimensional Card

17 FEBRUARY 2025

Create a stunning dimensional card using layering stencils and dies to build beautiful peony and carnation flowers in multiple colours. The card features a unique frame created by cutting and arranging the flower pieces around a white card base, with raised elements for depth and dimension.

From our live show **SBM APP - THE OFFICIAL LAUNCH - Broadcast Monday 17th Feb 2025** (17 February 2025) - watch it from 20:30.

WHAT YOU WILL NEED

- Stencil & Die Set - Carnations - 090724K
- Stencil & Die Set - Peony Bunch - 090724L
- Stamps By Me - Marbled Elegance Paper Pad - 310724A

Cut your card stock in half to create your base card.

Watch this step: 20:45 into the show

Position stencil number one in the corner of your card and blend pink ink through it using a blending brush.

Watch this step: 22:00 into the show

Layer stencil number two over the first layer and apply the same pink ink, pressing slightly harder for more colour.

Watch this step: 23:15 into the show

Apply stencil number three and change to orange ink to add colour variation to the flower.

Watch this step: 24:00 into the show

Apply stencil number five with the leaf elements, keeping the same teal colour from your original design.

Watch this step: 26:45 into the show

Apply stencil number six to complete the layering sequence.

Watch this step: 28:00 into the show

Die-cut the flower heads using the outline die from the set.

Watch this step: 31:30 into the show

Cut the layered pieces into individual flower elements using scissors, separating them from the card base.

Watch this step: 40:00 into the show

Arrange the flower pieces around the edges of a white card to create a decorative frame, using low-tack tape to position them temporarily.

Watch this step: 45:00 into the show

Trim away excess paper from around the arranged flowers using scissors.

Watch this step: 48:30 into the show

Apply foam pads to the back of each flower piece to raise them from the card base.

Watch this step: 49:00 into the show

Adhere the raised flowers permanently to the card using glue, then add a sentiment die-cut to complete the design.

Watch this step: 53:45 into the show

TIPS FROM THE SHOW

- You can use the layering stencils in different colour combinations to create your own unique look.
- Don't worry about the flowers being in a perfect formation—break them up and create your own unique patterns and designs.
- You can add sparkle pens or sequins to give the card extra shimmer and shine.
