

Reflection Stamp Card with Evergreen Paper and...

13 DECEMBER 2024

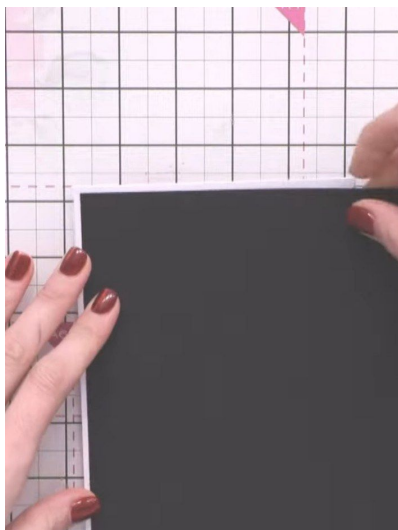

Create an elegant layered card featuring silhouettes of three ladies using the Reflection stamp technique. The design uses Evergreen all surfaces paper with a sophisticated black and white colour scheme, enhanced with a gold embossed 'SO SWEET' sentiment circle and delicate white gel pen details for a polished finish.

From our live show **ONE DAY SPECIAL - Join Toni for her brand new launch - Broadcast 13th December 24** (13 December 2024) - watch it from 13:30.

WHAT YOU WILL NEED

- Circle Craft Punch - 1 Inch - 170926Z
- Stamps By Me - Premium Pigment Ink Pure White - Cotton - 121022M
- Stamps By Me - All Surfaces - Gilded Gold - 8 X 8 Paper Pad - 061223F
- A5 Stamp - Reflection - So Sweet - 240424J

STEP 1

Cut a black card layer and a patterned layer from the Evergreen paper using a guillotine. Trim them to create thin borders around your card base.

Watch this step: 15:30 into the show

STEP 2

Ink the entire Reflection stamp with black ink, pressing the ink pad firmly across the stamp surface to ensure good coverage of all the design elements.

Watch this step: 19:30 into the show

STEP 3

Stamp the ladies from the Reflection stamp set onto your Evergreen patterned paper using black ink, positioning them off-centre on the card front.

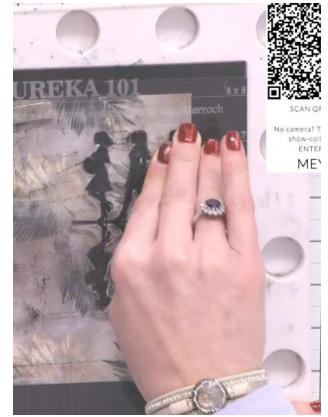

Watch this step: 20:00 into the show

STEP 4

Re-ink just the top portion of the Reflection stamp with black ink to create a darker shadow effect on the ladies' silhouettes.

Apply the ink lightly to the upper area only.

Watch this step: 21:30 into the show

STEP 5

Stamp the reflection image again over the same area to build up the darkness at the top, creating more depth and intensity in the stamped design.

Watch this step: 22:00 into the show

STEP 6

Use the 1 inch circle punch to punch a circle from black cardstock. Stamp the 'So Sweet' sentiment onto the black circle using black ink.

Watch this step: 23:00 into the show

STEP 7

Apply gold embossing powder to the stamped 'SO SWEET' sentiment on the black card. Heat with a heat gun until the powder melts and sets to create a raised gold finish.

Watch this step: 24:00 into the show

STEP 8

Using a white gel pen, draw a line around the embossed 'SO SWEET' sentiment to add definition and break up the design on the black card.

Watch this step: 27:00 into the show

STEP 9

Using a white ink pad and a spot brush, dab small white ink impressions around the stamped lady figures to create a halo effect. This adds depth and highlights the images against the black card.

Watch this step: 28:00 into the show

STEP 10

Adhere the black card layer and the patterned paper layer to your white card base. Attach the embossed sentiment circle using adhesive foam pads for dimension.

Watch this step: 30:00 into the show

TIPS FROM THE SHOW

- Use your antistatic bag when embossing to avoid excess powder specks on your card.
- The uncoated all surfaces paper is porous, allowing you to build up colour with multiple stamp impressions for darker effects.
- White gel pen dries slightly lighter than it appears when wet, so don't worry if it looks too dark initially.
