

Coordinating Envelope Using Box Maker Tool

22 NOVEMBER 2024

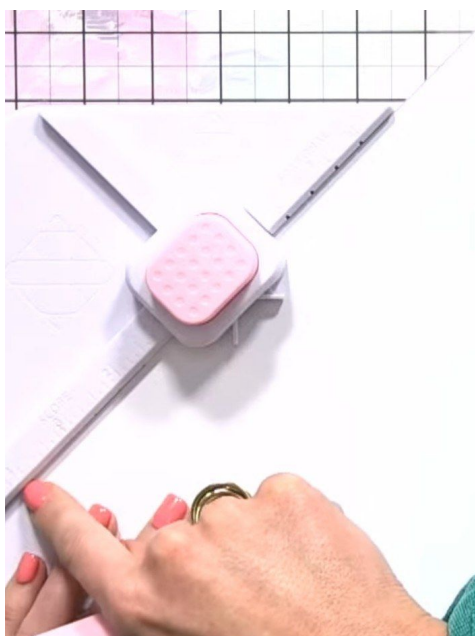

Create a beautiful coordinating envelope using the box maker tool to perfectly fit a 5×7 inch card. This sparkly pink glitter envelope features professionally rounded corners achieved through the tool's built-in punch system. The technique uses precise scoring and folding to create a polished, handmade envelope that adds a special touch to your cards and gifts. From our live show **ONE DAY SPECIAL - Join Toni for brand new launch - Broadcast 22nd November 24** (22 November 2024) - watch it from 18:30.

WHAT YOU WILL NEED

See the show for everything used.

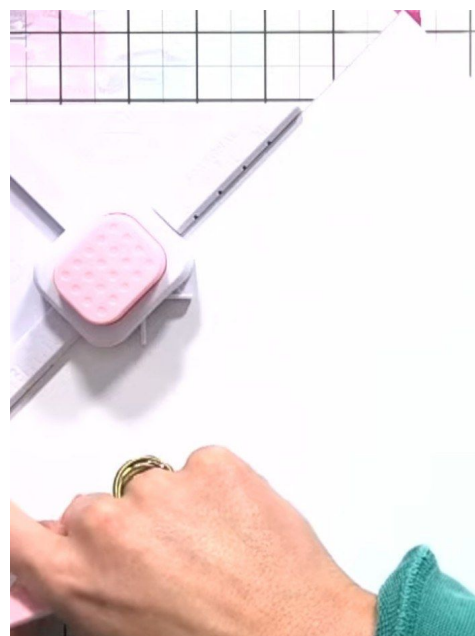

STEP 1

Cut a piece of card stock to 9½ by 9½ inches for a 5×7 envelope.

Watch this step: 20:15 into the show

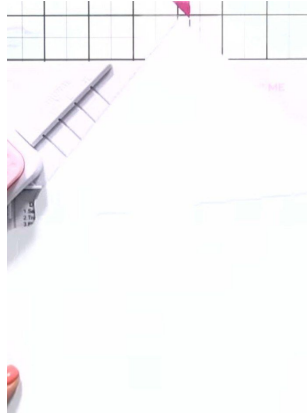

STEP 2

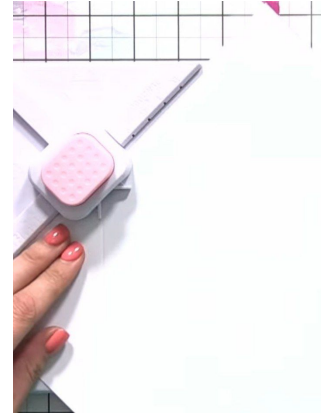

Insert the white cardstock into the box and envelope maker tool, aligning it with score line 4. Use the scoring tool to create the fold line. Watch this step: 20:30 into the show

STEP 3

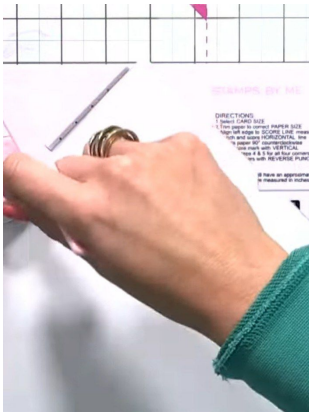

Use the scoring tool to score along the groove lines on the paper, following both the diagonal and straight lines created by the box maker tool.
Watch this step: 20:45 into the show

STEP 4

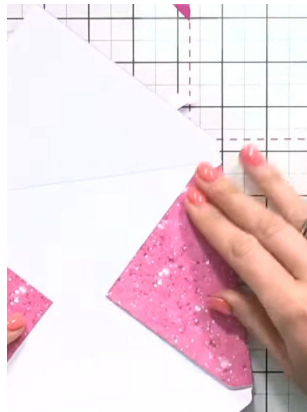

Line up the envelope template with the horizontal score line on the paper. Punch the first score line using the reverse punch at the four corners.
Watch this step: 21:00 into the show

STEP 5

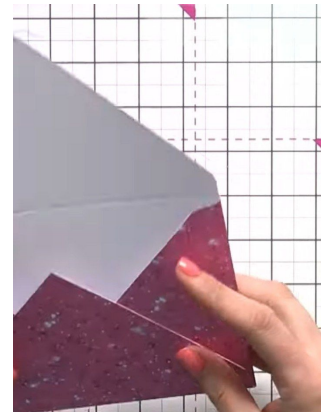

Twist the box maker tool and line the paper back up with the first score line to create the next fold.
Watch this step: 21:15 into the show

STEP 6

Score across the paper using the box maker tool and punch the corners. The score lines will help create the envelope folds.
Watch this step: 21:30 into the show

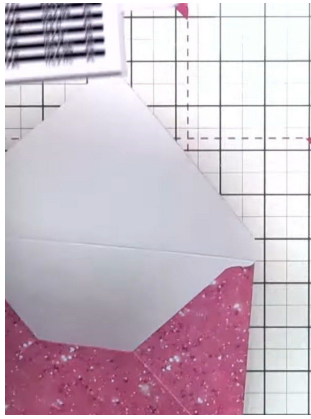

STEP 7

Repeat the process for the remaining score lines: twist the paper to align each score line with the tool, score it, and punch the corner. Continue until all four sides are complete.
Watch this step: 21:45 into the show

STEP 8

Fold the envelope into shape by bringing the triangular flaps together. Layer the grey cardstock piece over the glitter cardstock to form the envelope structure.
Watch this step: 22:00 into the show

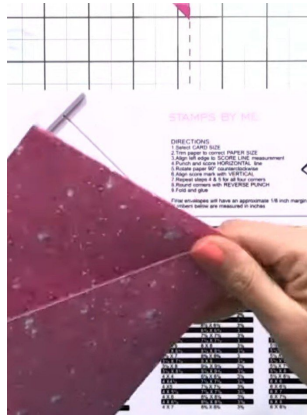

STEP 9

Tuck in the small tail at the top of the envelope for a neater finish.

Watch this step: 22:15 into the show

STEP 10

Use the corner punch feature on the box maker tool to round the corners of the envelope flap. Position each corner of the flap into the corner punch and press down to create neat rounded edges.

Watch this step: 22:30 into the show

TIPS FROM THE SHOW

- You only need to line up the paper once with the score line—the tool's guides do the rest.
- The rounded corner punch gives your envelope a professional, finished appearance.
- Save and laminate the instruction sheet so you can refer to it whenever you need to make envelopes.
