

Merry and Bright Winter Stag Card

7 OCTOBER 2024

Create an elegant winter card featuring a die-cut stag scene with delicate foliage details. This sophisticated design combines white cardstock with landscape paper backing, enhanced with gold wax accents and glitter glue on the foliage for a festive shimmer. The finished card showcases a beautiful woodland scene perfect for seasonal greetings.

From our live show **MY PODCAST - Catch my latest updates broadcast October 7th 2024** (7 October 2024) - watch it from 26:00.

WHAT YOU WILL NEED

See the show for everything used.

Cut two pieces of white card using the A6 die-cutting machine with the stag die.
Watch this step: 34:30 into the show

STEP 2

Carefully pop out all the small intricate pieces from the die-cut stag using a poke tool or your fingers. Take care to remove all the delicate branches and details from the white die-cut frame.

Watch this step: 36:45 into the show

STEP 3

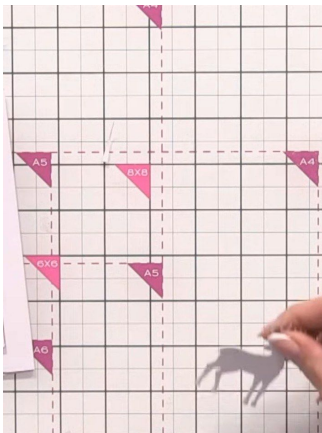

Select a piece of patterned paper with a winter landscape scene from the bumper paper pack. Choose a design with blue and white stripes or a similar coordinating pattern.
Watch this step: 40:00 into the show

STEP 4

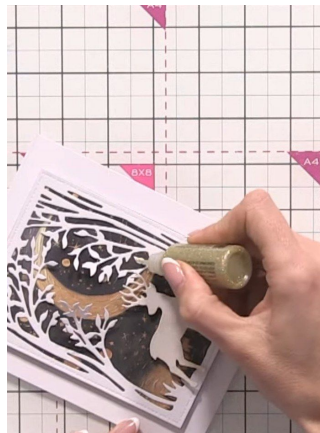

Trim the landscape paper to size and layer it onto your white card base. Position the landscape paper behind the white die-cut frame to create depth in your design.
Watch this step: 42:00 into the show

STEP 5

Apply gold wax to the stag die-cut using your finger or a soft cloth, gently rubbing it over the surface to add subtle colour and dimension to the piece.
Watch this step: 50:30 into the show

STEP 6

Position the die-cut stag at the bottom of the card so it appears grounded on the landscape. The stag should sit naturally on the lower edge of the scene.
Watch this step: 52:00 into the show

STEP 7

Apply gold glitter glue to the leaves and foliage details in the landscape scene. Use the applicator to add sparkle to the decorative elements within the die-cut design.
Watch this step: 53:45 into the show

STEP 8

Stamp the 'Winter Wonderland' sentiment from the stamp set onto the inside of the card using brown ink. Position the stamp centrally below the winter scene aperture.
Watch this step: 51:15 into the show

TIPS FROM THE SHOW

- You can batch make these cards as they use simple layering techniques.
- The stag die works well for Father's Day cards too if you change the colour scheme.
- If you don't have a guillotine, you can trim card edges by hand with scissors.
