TIPS FROM THE SHOW

- If you don't like the white edge on toppers, trim it away or use a black Sharpie to colour the edge rather than leaving it white.
- Use a blending brush with dark colour to finish the sides of cut toppers so they don't look like they've been roughly cut from card.
- Don't be afraid to use multiple toppers and embellishments from the kit—you have plenty left over beyond the 18 cards.
