STEP 1

STEP 2

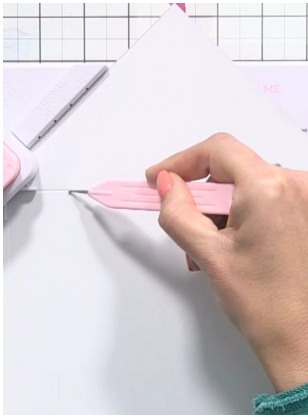

Using the envelope size chart on the Stamps By Me Box and Envelope Maker, locate the measurements for a 5x7 card. Cut your card stock to 9½ by 9½ inches as indicated on the chart.

STEP 3

Place the groove tool in line four of the envelope maker. Pull the tool down and then across the paper to score your first line.

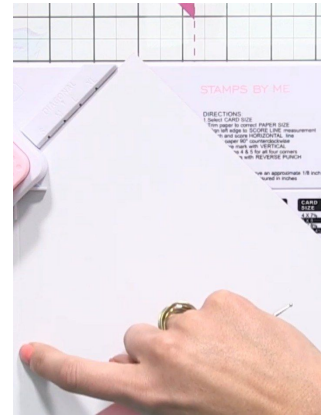

Watch this step: 2:15 into the show

STEP 4

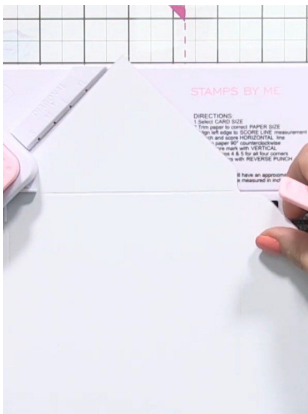

Punch along the scored line using the punch feature on the Box and Envelope Maker tool. Position the tool over the scored line and press down to create the punch marks. **Watch this step:** 2:45 into the show

STEP 5

Twist the paper and line it back up with the first score line you created on the envelope maker board. **Watch this step:** 2:45 into the show

STEP 6

Score and punch across the opposite side. Rotate the paper 90 degrees, align the twist line with the score line, and punch the remaining two sides in the same way. **Watch this step:** 3:00 into the show

STEP 7

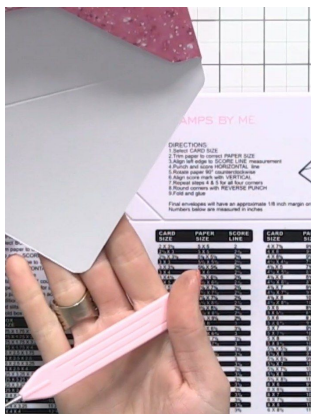

Fold the envelope together along all the scored lines, creating crisp creases to form the envelope shape. **Watch this step:** 3:30 into the show

STEP 8

Fold the small triangular tail inward on the pink glitter cardstock to create a neat finish at the back of the envelope. **Watch this step:** 3:45 into the show

STEP 9

Use the corner punch feature on the envelope maker tool to round all four corners of your grey envelope for a professional finish.

Watch this step: 4:00 into the show

TIPS FROM THE SHOW

- Only line up the score line once at the beginning; the tool guides the rest automatically.
- Practice on plain paper first before using your best card stock.
- The tool has rubber feet to keep it stable on your work table.
