

Framed Card with Pen-Drawn Drop Line Border

30 APRIL 2024

Create an elegant framed card featuring delicate floral imagery in soft pinks, greens and blues. Using a rectangle aperture stencil as your guide, draw a hand-lettered drop line border with a gel pen to add a personal, artistic touch. This simple technique produces a sophisticated card perfect for any occasion.

TIPS FROM THE SHOW

- Using a stencil as a guide makes it easy to create confident, straight frames without freehand drawing.
- A regular gel pen from any box works perfectly for this technique.
