

Lamination Watercolour Flowers Card

A PROJECT FROM OUR LIVE SHOW - CREATE AND CRAFT TV - 9 APRIL 2024

ABOUT THIS PROJECT

A stunning card using lamination stamps to create a realistic watercolour effect. You stamp a detailed lady's head, then use coloured ink pads and water to create a blended, painted look with flowers in her hair, all without needing any artistic skill.

TIPS FROM THE SHOW

- Refer to the finished design on the front of the packaging to see where to place colours.
- Lamination naturally creates bleed and blend, which is realistic for watercolour.
- You can go back in with more ink if you miss an area.
