ABOUT THIS PROJECT

Design a fun, retro-inspired shoe card using a five-part stencil system. Layer different stencils to build a wedge shoe, add decorative patterns, and stamp sentiment words into the design for a playful, disco-themed card.

TIPS FROM THE SHOW

- The stencils are numbered in the top corner; ensure they are used in the correct order for proper alignment.
- You can mix and match pattern stencils to create approximately 25 different shoe styles.
- The registration hearts are optional; experienced crafters can skip them, but they help beginners align the stencils accurately.
